1. This is the day all must see me, in the flesh not to believe in me, but see me real and true, accurate, non-shadow'd. I love you. **This day the temple shines, comes to the fore** not but forefront of headlines and talkshows and discussions me and not-me. I love you.
2. This is the day and all confronting all may not, but yet there is the momentous occasion that now represents me not in fullness in them, unless they choose/surrender, but in surrendering becoming their surrendered-to. I love you all.
3. This is the time moment day and all worship me in spirit and truth (1) will, who worship me at all, not; but coming quickly, rapidly, and changeth everything everyone? Yes, that is right, correct, and accurately reflecting the magnitude of change,s coming. Rapidly, escalating the momentum of world events predicted, prophesied and coming quickly; tangible in the minds/lives now of many, not; all. I love you.
4. **Who can stand the heat/transfer of wealth not like thought**, the actions me/not-me; and who can tell/discern the differences and what brings about what/how/when? I love you.
5. **Maturity requested, denied not; enter my education system and let my words** hone not only but give/**provide you honey** not of this world, but in it, being in it, superceding even the tiniest thought thought. I love you.
6. **Enter me/my educational system**, not money producing/bragging, but **my lovership system that freedom brings and provides protection, promotion, and all needs met; lovership that education is/provides, that is, that loves, protects, promotes, lifts**, and banners not self reflection, self interests and achieved accomplishments lauding thought/self over others; but **lifting those around, that I connect, into freedom networks ultra-surpassing the most magnanimous constellations imaginable**. See what I have said and altar not, not ever alter my worship/wordsmith.
7. I'm taking you out of here soon but bringing you back continually, not; but often, this place on my heart. **Beijing and centers of the world now look to me continually, not; but increasingly to solve their problems**, not; but **see that which unseeable** is not by my brethren one'd, who loved me, heartless not but giving me all theirs, receiving mine; no shadow'd words not mine giving, thinking, revolving around them.
8. **See what I have said declaring not the future, the past.** I love you. Amen.

9. I love you immensely, not commensurately with how you love me. My love endeth not, cannot be impaired, lessened, damaged, nor tangled. Non-shadow'd is my love/brightness that now shines immensely, increasingly brightly in this world of yours, not; yours no longer; never was/is, now all coming clearly past/through clearness clarity of/being only me/mine, to all, who want me this much. I love you all. Amen.

10. This is the me coming to me all, all presenting; all choosing, exaltation of self, or surrender thereof, thereto, becoming all-surrender.

11. Glorious return, not; glorious departure, not; glorious glory not ever departing/ever departing again. **Thou hast become that which you worshipped. All will.**

12. See what I have said in North Pole Road **coffeeshop, one, not; one of millions I now use for with my glory, sharing the sharable** that never decreases being shared, but increases/expands universes to/from/to again.

13. I love you all; increasingly, is that possible? I/my love never ends. I love you all.

14. Love my your brethren more, tangibly, letting all meekness be among/surround you. Amen. Me. Thank you. Amen.

Love
